Canadian Diversified

Market-Linked Guaranteed Investment Certificate (MLGIC)

What are the benefits of this investment solution?

The Canadian Diversified MLGIC helps you give your members the following benefits:

Security

Capital 100% guaranteed at maturity.

Simplicity

A managed solution and no management fees.

Growth potential

Higher return potential than traditional term investments.

Price

No management fees or commissions.

Who is this investment suitable for?

The Canadian Diversified MLGIC is suitable for investors who:

- ✓ Are looking for peace of mind with 100% principal protection at maturity.
- ✓ Have an investment horizon of at least 3 years.
- ✓ Agree to forgo a portion of the guaranteed return from traditional term investments so they can benefit from a higher market-linked return potential.
- ✓ Do not plan to transfer the investment or withdraw funds prior to maturity.

Highlights

- ✓ Provides exposure to 20 large Canadian companies.
- ✓ Potential to earn higher returns linked to a set of stocks as outlined in the terms and conditions.
- ✓ Minimum guaranteed rate of return is paid annually as interest.
- ✓ Offers protection from possible market corrections occurring in the last three months of the investment.
